COMMENTS:

Todd,

Per our conversation last week in reference to case 09/448,223, regarding a Final Office Action that was never received, we spoke with Sharon Cotton about reissuing this action. She said we should fax the attached materials directly to you (apparently, so that you could officially pass these materials on to her).

Per Ms Cotton's request, we attach proof that we filed a change of address in this application on July 25, 2002. Specifically, we have attached a copy of our July 25, 2002 submittal (with Certificate of fax transmission), along with the fax transmission result report. We have also included the Notice of Customer Number Assignment to Patents, which was sent as a response in August of 2002.

Case 09/448,223 is listed on all of these materials. Specifically, referring to the July 25, 2002 submittal, this case is listed on page 1b. And, referring to the Notice of Customer Number Assignment to Patents, this case is listed on page 5.

David J. Powsner
